Divisions: Rider Levels

There are 4 recognized and one optional Rider levels.

1. **Open:** Professionals and riders (14 years and over*) who have scored out of the lower levels. (T1, T2, T3, T4, V1, V2, F1 and F2)

* Riders are allowed to show in Open Level classes before the age of 14 ONLY IF they have placed out of intermediate classes on the same class track. In order to score out of Intermediate the riders are required to achieve a score of 6.0 or higher three times, one additional requirement for riders under 14 years is that at least one of these qualifying scores must be obtained in a live show with more than one rider in the group class. This rule goes into effect July 1, 2023. Show organizers may choose to divide Finals into two classes based on age of the riders.

2. **Intermediate:** Any non-professional rider who has not achieved a final score of 6.0 or higher three times, riding the same or different horses, in a specific discipline at USIHC National Ranking competitions (T5, T6, V3 and F3).
3. **Novice:** Any non-professional rider who has not achieved a score of 5.0 or higher three times, riding the same or different horses, in a specific discipline at USIHC National Ranking competition (T7 and V5).
4. **Youth:** Riders aged 16 and younger. Riders do not score out of this division, they age out. (T8 and V6)
5. **Beginning Rider (Optional) :** Any non-professional rider is eligible for this division for two consecutive calendar years starting with their first participation in a live National Ranking show (or its equivalent). These riders would then graduate to Novice. (TBR and VBR)

Rider Eligibility

A rider may enter any class or level unless specifically prohibited by the definition of that class or level. In other words, a rider may enter at the same show, Intermediate and Novice classes if he/she is a non- professional rider and has not achieved a score of 5.0 or above three times at USIHC National Ranking competitions in that discipline.

The cut-off score in those classes will follow the rider only. It will not follow the horse or the horse and rider combination with the exception of the determination of a “green horse”.

A rider may enter the same class with more than one horse. Where the Open Class is conducted as individual programs, no limit shall apply. In classes

conducted in groups the rider shall be allowed as many entries as there are groups for the class.

Horse Eligibility (G7.3.2. Participating horses in sport events)

- Purebred Icelandic horses aged five years and above are eligible.
- Horses must have a FEIF ID number.
- For World Championships and other international competitions, horses must be at least 6 years old.

The number of tests per horse per day is limited as follows:

- a) a 5 year-old horse, may start twice per day, not including races or cross-country (however, pace test, speed pace and pace races are permitted),
- b) a 6 year-old horse may start 3 times per day,
- c) a 7 year and older horse, may start 4 times per day,
 - any preliminary round and final is considered to be a start,
 - for pace test, speed pace, pace race 250m and 150m, 2 runs on one day are counted as 1 start.

It is up to the organizers to check the age of the horse. If a rider disregards this rule, and finishes an additional test, the rider should be disqualified from the test.

It must be noted that all classes (National Ranking Classes, Optional Classes and Fun Classes) are counted as "starts". The only exception are "pace" events.

Green Horse: : A horse is eligible for this division for two consecutive calendar years starting with their first participation in a live National Ranking show (or its equivalent). These horses would then graduate to Novice Horse (TNH and VNH).

Compliance.

The individual responsible for enforcing compliance with all the USIHC Sport Rules at National Ranking Shows shall be an US Sport Judge. If an US Sport Judge is not available then the official Scribe shall enforce the rules. In the absence of either an US Sport Judge or Scribe then a designated member of the Sport Committee will enforce compliance by all show participants with the rules. In all cases the individual must have a solid working knowledge of the USIHC Sport Rules. All the

materials and information needed to ensure proper compliance shall be provided by the show organizer. If a dispute arises as a result of a decision made by this individual an appeal may be made in a timely fashion to the Judge who shall have the final decision.

National Ranking:

It is required that all of the classes listed in the chart below (except P2*) be offered at all NR shows. National Ranking scores follow the rider only, not rider/horse combinations.

2. Other classes even those purely for fun, may be added with the exception of halter classes, which are specifically prohibited. This prohibition is to prevent any in-roads of the philosophy that the physical appearance of the horse, divorced from its functionality, is worthy of note.
3. Most classes are ridden in a group, the size of the group is noted in the class description, the exceptions are T1, T2, V1 and F1 where preliminary rounds are ridden individually. All Finals are ridden in groups.
